Come join us for the 28th. Lunenburg Folk Harbor Festival. <http://www.folkharbour.com/> We will enjoy a wonderful weekend of music by the sea. Discover Lunenburg <http://www.explorelunenburg.ca/> as venues throughout the town ring out with music. All venues are unique and beautiful...the Warf on the waterfront, a Victorian Bandstand and in the heart of town, historic St. Johns Church and the main stage right next to the campground high on Blockhouse Hill overlooking both the Front and Back Harbors of Lunenburg.

There are concerts each afternoon and each evening. Each boasting a mix of Maritime, Canadian and International Performers. **We will have unlimited admission to all shows.**

We have made special arrangements with the Town of Lunenburg for 17 sites...10 sites with full hookup and 7 sites with electric and water. A dump station is available.
